

## TURN THE GLASSES OVER

I've been to Haar-lem, I've been to Do-ver, I've trav-elled this wide world all o- ver,

o -ver, o -ver, three times o -ver, Drink all you have to drink and turn the glass-es o-ver.

Sail- ing east, sail - ing west, Sail- ing o'er the o - cean,

Bet- ter watch out when the boat be- gins to rock, Or you'll lose your girl in the o - cean.
